Dear Nick,

Thank you for writing to Jack Straw on behalf of Mr D J Ekberg of [REDACTED] about metrication. I am replying as Minister responsible for Metrication.

Since coming to office I have become aware that, while much progress has been made in the field of metrication, there are nevertheless a number of outstanding issues relating to it which will arise in the future. I have therefore requested a complete reappraisal of our policy in this area and I will write to you again when the results of this exercise are known.

Best wishes

Yours sincerely

dti
